

شركة التكنولوجيا الصناعية المحدودة INDUSTRIAL TECHNOLOGY CO. LTD.

Complete Solution of Telecom & Electrical System

Specialized in Fiber Optic System

INTRODUCTION

ITC is a subsidiary of Al-Attas Group in Saudi Arabia & Egypt and also, An ISO 9001:2015 certified company. We interest in multifarious fields such as Power & Electrical, Telecommunication System, Mechanical, and Heavy Equipment Rental Services. We also deal in supply of all type of Electrical and industrial materials.

Along with our other partners and alliances, ITC is emerging to provide highly technical and competitive capabilities at the time where concentration of telecommunication is in the supply market, and the need for innovative and flexible execution approaches are stronger than ever.

We aim to support the industrial investors with distinctive services than we believe will help creating a successful and sustainable business. Our highly experienced and specialized staff and professionals will ensure high quality and effectiveness of our services.

ITC will deliver not only complete and comprehensive scope, but will do it in such a way that we become your partner for long time to come.

Client satisfaction is an objective we plan to meet in every project we execute. You will find us to be unique, resourceful and totally customer oriented in our approach. Our after sale service will also be at the disposal of our valued clients at all time. Working with 'ITC' will not only be a business deal, but rather a satisfying experience that will benefit all.

QUALITY POLICY

The **QUALITY POLICY** adopted by **ITC** aims at enhancing customer satisfaction through effective application of the quality management system for continuous improvement of the system and the assurance of conformity to customer and regulatory requirements.

Our **HSE POLICY** aims to deliver the quality services ensuring the health, safety and environment is not compromised. We adhere to the highest quality standards with stringent quality checks at every nodal point.

At **ITC** we are highly quality conscious and we strive to produce work of the highest quality at the lower possible cost and in the least amount of time.

ITC believes in team effort. We believe that it is a joint effort of both our team and project members of client for success of project. This approach has lead to long lasting relation with clients.
